

K-9 KUBE

**2011 WORKSAFE
VICTORIA AWARD**

For Best
Solution
to an
Identified
**Workplace
Health and
Safety
Issue**

Contain the animal at ground level... ONE EASY LIFT

- Two compartments for multiple animals
- Interior lighting and flashing hazard lights for safety
- No greaseable parts, powdercoated finish
- Easily cleaned
- Self locking stainless steel sliding doors
- Capture pole release gallery in doors
- Machine in motion alarm
- Easily installed onto the back of utility vehicles
- Powered from the vehicle's 12 volt battery system
- Windows for viewing contained animals
- Wholly Australian designed and manufactured

Swan Hill Rural City Council's Manager Regulatory Services Harold Rovere said... *The K-9 KUBE eliminated the 'lift and bite risk'.*

Campaspe Council Mayor Cr Kevin Simpson said... *Council is fitting K-9 KUBES to three of its Local Laws vehicles to reduce the risk of manual handling injuries, and the potential for animal bites to our officers.*
